

Dear Parents/Guardians

The Killam Parents Advisory Society is holding an online auction the week of October 11 to October 18, 2022. We are asking that all families contribute one auction item. This can be such things as a purchased item, a baked item or even a work commitment like shovelling snow or mowing grass.

All fundraising goes directly back into the school and benefits children of all ages. Some of the items that the Killam Parents Advisory has financed in the past include:

- Pawsitive Behaviour monthly draws
- Outdoor volleyball nets
- Bussing for ski trips
- Covering half of the swimming lesson fees
- Bussing to various events.

This year we have an exciting project that we are fundraising for, KPS is getting a Home Economics room and we are responsible for buying the large appliances including four stoves, two fridges, two microwaves and one dishwasher.

We all need to work together for the benefit of our school. With everyone's help we are positive that we can exceed all of our expectations in fundraising and continue to provide all students with extra activities.

Thank you all for your continued support in making Killam Public School the best place it can be.

Please have all items handed in by Monday, October 3, 2022 to the school.
