

KILLAM PUBLIC SCHOOL

JUNIOR HIGH SUPPLY LIST 2023-2024

Students will be required to provide all supplies outlined on the Junior High supply list. In addition, **all supplies will need to be clearly and individually labeled** so supplies are not mixed up. Students are strongly encouraged to purchase binders with plastic/vinyl covers instead of zippered binders--zippered binders are more costly and bulky and students tend to be rough with their binders. We are encouraging students to bring their own personal devices (Chromebooks or Laptops) to school if they have them. This will give students more flexibility in handing in paperless assignments and limit the amount of sharing of devices.

LA

- 2" **non-zippered** binder
- dividers

Math

- 1" **non-zippered** binder
- 200 page coiled, hole punched, 0.5 cm graph paper scribbler
