Treaty Acknowledgement

We acknowledge that Killam Public School is on Treaty 6 territory - the ancestral and traditional land of many Indigenous groups. We are grateful for the animals, the water and the forests that provide us with many resources we use each day. We are thankful for the diverse opportunities that this land offers. We respect the land in which we gather on today.

Transportation Information for next years students

Do you have a Grade 9 student who will need bussing next year? Do you have a new kindergarten student? You need to register for bussing!

[Bus registration](#) for the 2024/25 school year is open from April 17, 2024, until 4 p.m. on June 27, 2024.

Parents with bus students need to register only if this is the first time that their child(ren) will be riding a BRSD school bus, such as new students beginning Kindergarten or grade 10 students who don't normally ride the bus but will be taking the transfer bus to Sedgewick.

Applications for school of choice/cross boundary transportation will be available at 9 a.m. on May 1, 2024.

For more details and eligibility information, please visit our [website](#).

Kindergarten Success Starts Early Events

We are planning a Success Starts Early Event At KPS for our new kindergarten students and their families to connect with support people within our division and community. The hope is that this event will reduce student anxiety over the summer and get them excited about their first days in school.

The idea is that families and students will come together and get to meet some school staff and learn about some of the programs Battle River School Division offers. There will be stations in the gym that the kids will get to go through. We want to get to know your child as a learner and identify any possible support that might be required to ensure that the upcoming school year is as successful as possible.

This event will be held on May 13th from 10:00- 3:00. We are scheduling times for each student so they have individual time with our team and at each station. You can anticipate being at the event for about 45 minutes. Please contact Mrs. Brodie to book your time!

It's Planning Time!!

We are beginning to plan for next year. If you know a family that is new to Killam, has a kindergarten student not in preschool or a child that is planning to return to KPS (after a year away), please encourage them to contact the school to get information about registration. Knowing who will be attending next year helps us to most effectively plan for the upcoming school year and ensure supports that are needed are in place.
