

May 3, 2024

Dear Parent(s) and Guardian(s),

Welcome to the season of track and field! Our *Division Track Meet* will be held in Camrose on Tuesday, May 28, 2024 and the *Regional Track Meet* will also be held in Camrose on June 4. These events are open to the public, so families are welcome to attend to cheer on their athlete(s).

In consultation with staff and our Parent Council our goal is to include and encourage every junior high student to participate in a minimum of one event. Therefore, as part of the KPS Physical Education (PE) programming, all Junior High Students will be participating in the *Division Junior High Track Meet* in Camrose. Through track and field, students will be able to apply and refine activity-specific skills in a variety of individual events, such as throwing an object with increased speed, accuracy and distance.

Students will compete in track events based on tryouts, choice and coach recommendation. Two students will compete in that event at the *Division* and students who place in the top 3 will then move on to the *Regional Meet* in Camrose on June 4.

Track practice schedule: (all events can be practiced every day, so please choose the dates that work best for you)
