### Treaty Acknowledgement

We acknowledge that Killam Public School is on Treaty 6 territory - the ancestral and traditional land of many Indigenous groups. We are grateful for the animals, the water and the forests that provide us with many resources we use each day. We are thankful for the diverse opportunities that this land offers. We respect the land in which we gather on today.

### Principal's Message

Welcome back! We are excited to welcome all students and families back for another fantastic year of learning at Killam Public School. Our school is already a busy place full of learning with routines, review and new learning.

To help families stay informed, we encourage you to review our [Parent/Student Handbook](#), which outlines important information about school routines, expectations, and other general information. Please take some time to talk with your child(ren) about the expectations in a school setting, including on the bus as these may differ from expectations at home. School and bus expectations are clearly outlined in our handbook on page 22 under "PAWSitive Behaviour".

We look forward to partnering with you in making this school year a PAWSitive and successful one!

## Attendance

Regular attendance is essential for student learning and success. In the classroom, students engage in intentionally planned activities, meaningful discussions, and real-world problem-solving to help connect new ideas to what they already know. Teachers provide ongoing feedback to guide student progress. When students are absent, they miss these important experiences, which can make it harder to understand future concepts. If a student is away for an extended time, teachers will provide as much of the missed work as possible. However, parents should understand that classroom instruction and interaction cannot be replaced.

Please call the school office at (780) 385-3690 or email our general office account at (killam-aa@brsd.ab.ca) to let us know if your child is going to be late or absent from school, ideally prior to the start of class. If not reported before the start of school, you will receive a SchoolMessenger attendance call-out.
